HOW DOES IT WORK?

BOOK A ROOM

Use our advanced booking platform to find your perfect accommodation - choose from thousands of global hotel rooms and home rentals for every style and budget! Book through our website or download the app.

CONTRIBUTE

We are a non-profit booking site. 100% of your booking commission goes directly towards creating travel scholarships for those who wouldn't otherwise dream of traveling. You can also choose to donate directly to our cause.

MAKE A CHANGE

Your booking gives the Gift of Travel to disadvantaged youth and seniors. Life changing trips for them - no extra cost to you. Help us promote tolerance and breaking down stereotypes!

Our Mission

Our goal is to grow the community of conscious travelers by providing a more engaging hotel booking platform that helps GIVE BACK.

We believe in the transformational power of travel as a tool in building tolerance, breaking down stereotypes and as an invaluable way to learn new life skills.

We are committed to enabling travel, both local and international, to those who would otherwise never dream of it. It's time for a more enriching travel experience for all!

Along the way we aim to be an advocate for sustainable tourism - it IS possible to travel more while doing so responsibly.
